In the months before she died, Florence Ballard, the spunky teenager who founded the most successful female vocal group in history - the Supremes - told her own side of the story. Recorded on tape, Flo shed light on all areas of her life, including the surprising identity of the man by whom she was raped prior to her entering the music business, the details of her love-hate relationship with Motown Records czar Berry Gordy, her drinking problem and pleas for help, a never-ending desire to be the Supremes' lead singer, and her attempts to get her life back on track after being brutally

--------------	---------------	----------------------------	-----	-------	------

This fascinating compendium explains the most unusual, obscure, and curious words and expressions from vintage blues music. Utilizing both documentary evidence and invaluable interviews with a number of now-deceased musicians from the 1920s and '30s, blues scholar Stephen Calt unravels the nuances of more than twelve hundred idioms and proper or place names found on oft-overlooked 'race records' recorded between 1923 and 1949. From 'aggravatin' papa' to 'yas-yas-yas' and everything in between, this truly unique, racy, and compelling resource decodes a neglected speech for general

---------------------	----------------------------	--------------------------------------	-------------	--------------	------------

Retracing the life of Paul Bley - one of the most complex and mysterious personalities in the history of jazz - this fascinating biography positions him in the pantheon of great jazz musicians from the last 50 years. A proponent of free jazz and improvisation, his techniques, aesthetic values, and individual style are examined in the context of his contributions to modern jazz. The story of his musical career is also discussed alongside many of the great bands and jazz icons that he performed with, including Charlie Parker, Charles Mingus, Lester Young, Sonny Rollins, Don

Breaking a decades-long silence, Clarence "Big Man" Clemons, superlative saxophonist and right-hand man to Bruce Springsteen, reveals all about life both and off the road with one of the world's most famous rock stars. For 35 years, Clemons has performed with the E Street Band, and has not only observed but been a huge presence in Springsteen's career. In BIG MAN, Clarence tells astounding true stories and spins a few legendary yarns to add to the already mystical lore of the E Street Band.

When LA musicians Russell and Ron Mael moved to Britain in 1973, they hit the pop world as Sparks and looked like Oddballs, even in the context of the Glam Rock movement that made them welcome. Soon defined by their weird and wonderful 1974 single "This Town Ain't Big Enough for the Both of Us" from the Kimono My House album, Sparks went on to release 21 albums over four decades, each record inhabiting a bizarre world of it's own. Their songs were peppered with puns and pop culture nods, as well as nostalgia and jokey images, all mixed up in a kaleidoscope of musical references ranging

"The Myth of Popular Culture: from Dante to Dylan" is a fascinating examination of the cultural traditions of the American novel, Hollywood, and British and American rock music which leads us to redefine our concept of the division between 'high' and 'low' culture. This title offers a stimulating history of high and low culture from Dante Alighieri to Bob Dylan, providing a controversial defence of popular culture. It seeks to rebut the durable belief that only high culture is 'dialectical' and popular culture is not by turning Theodor Adorno's theories on 'pop'

Madness are a British institution. Formed at the height of Punk London in 1976, the Nutty Boys mixed old Ska and Reggae rhythms, astute social comment and music hall humor to make them the most successful UK singles band of the Eighties - as popular with the grannies as with post-punk teenagers hungry for an alternative to the glossy pop of the age. In Thatcher's Britain, Madness seemed like an anachronism: resolutely working class, down-to-earth and facing adversity with a glint in the eye.

"Skate Life" examines how young male skateboarders use skate culture media in the production of their identities. Emily Chivers Yochim offers a comprehensive ethnographic analysis of an Ann Arbor, Michigan, skateboarding community, situating it within a larger historical examination of skateboarding's portrayal in mainstream media and a critique of mainstream, niche, and locally produced media texts (for example, "Jackass", "Viva La Bam", and "Dogtown" and "Z-Boys").
